

## AGENDA

### Current Legislative Experiences in the Governance of Artificial Intelligence *Part of a dialogue series organized by the ParlAmericas Digital Caucus*

 Virtual | December 14, 2023

[Registration Link](#)

During the [Virtual Parliamentary Exchange on Artificial Intelligence and Digital Rights](#) last June, the Digital Caucus was launched as a working group linked to the ParlAmericas Open Parliament Network with the purpose of establishing a space for exchange between parliamentary actors interested in legislative approaches related to digital transformation, and its effects in the Americas and the Caribbean. This dialogue of the Digital Caucus will focus on international experiences with legislation and current bills related to the regulation of artificial intelligence.
