

**Spotlight Initiative**  
To eliminate violence against women and girls

An initiative of the United Nations funded by the European Union

## Agenda

*Exchange among representatives of Caribbean women's parliamentary caucuses*

**The Harbor Club, Gros Islet, Saint Lucia | November 2, 2023**

This gathering of members of women's parliamentary caucuses in the Caribbean will enable the strengthening of networks among these bodies, facilitating exchange on current priorities and on good practices for caucus functioning. Discussion will also explore areas in which the caucuses have interest in receiving further technical assistance from ParlAmericas and UN Women Caribbean to support their ongoing work, and on the ways in which current caucuses can provide guidance and support to other parliaments interested in establishing women's caucuses across the Caribbean.
